BECOME A VOLUNTEER AT THE ANIMAL SANCTUARY

No matter how much time you have available, you can make a difference to the lives of animals in need. We simply would not be able to continue our vital work and give the animals the high standard of care we are so proud of without the help of our dedicated volunteers.

We desperately need volunteers to help us with the following:

- 1) Working with animals: volunteering is a good way for young people who are looking to start a career in animal care to gain experience while applying for a college place. Also people without pets can experience the pleasure of being close to an animal for example by taking our dogs for walks, grooming and socialising with our cats or mucking out our horses, goats and pigs.
- 2) Fundraising: we survive only by donations from our supporters. As it costs over £1,000 per week just to feed the animals we are constantly in need of more funding. Volunteers who have experience in organising events (jumble sales, open days, dinner/dances etc) would be most welcome, but if you just want to deliver our flyers or do collections outside supermarkets, we would love you to join us!
- 3) Getting involved in the local community: visiting schools or potential corporate sponsors to raise awareness of the work being done at the Sanctuary.
- 4) Grant applications: volunteers who are experienced in finding sources of outside funds and grants and completing the related application forms would be much appreciated.
